Group Reminder: Tamari'i, Amateur and New Groups should all be aware that their presentation can be separated. Aparima and Ote'a need not be presented together at this level. A group may enter only Aparima or only Ote'a. The competition has made it this way so that groups in transition may gain experience and learn presentation skill without the pressure of having to tell a whole story. Advanced/Professional groups however are required to do a full, combined presentation. **Ahuroa** should not be part of Amateur/Professional, Aparima/Ote'a presentation. Ahuroa Competition is separate and only held Friday evening, during the Maeva Pageant. **Tamari'i group** may not be included in a combined int/amateur or adv/professional presentation.
